Journal of Nursing & Care is focused on all aspects of healthcare professions like critical care, nursing practice, research, education and management. The practice of nursing is based upon a social contract that delineates professional rights and responsibilities as well as mechanisms for public accountability and rapid-fire clinical change to achieve optimal patient care.

Journal of Nursing & Care is an Open Access, peer-reviewed journal which aims to provide the most rapid and reliable source of information on current developments in the field of Nursing & Care. The emphasis will be on publishing quality papers quickly and freely available to researchers worldwide.

Journal of Nursing & Care explicates the complicated aspects of critical care nursing including surgery, medicine, cardiac, renal, neuroscience, haematology, accident, emergency and paediatrics. The Journal is promptly available, and is freely accessible globally through internet to share the innovations of the researchers for scholarly advancement in this field.

Journal of Nursing & Care - Open Access uses online manuscript submission, review and tracking systems for quality and quick review processing. Submit your manuscript at http://www.omicsonline.org/submission
