Dear Chief Editor:

My name is Dr. Soheyla Talebimarandi. I am an American Board of Psychiatry and Neurology certified physician with Addiction Psychiatry fellowship. I have more than 7 years of research and patient care experience in psychiatry and addiction medicine. I am applying to the editorial board of the Journal of Addiction Medicine and Therapy. I have attached my current resume and a photo.

I will be delighted to contribute to your highly valuable journal both in reviewing manuscripts related to addiction medicine and psychiatry as well as contributing manuscripts in current trends in addiction medicine. I look forward to hearing from you.
