Dear Aryana Miles,

Thank you very much for your kind invitation to express my interest for the post of Editor-in-Chief. I would indeed like to think of pursuing this opportunity but would need to know, assuming that this is a full-time commitment, the level of compensation (if any) that would be provided. Having served on the editorial boards of several journals, I am well acquainted with editorial review and policy and could easily apply these skills to the JNP if circumstances permit.

I will look very much forward to the next steps.
