Dear Athanasios Exadactylos,
Cordial greetings of the day from Journal of Fisheries and Aquaculture!!!

I trust this e-mail finds you well. I am contacting you based on your expertise in [Fisheries and Aquaculture](#).

Fisheries and Aquaculture is one of the leading international publishers for Open Access journals devoted to various disciplines in science and technology.

In order to strengthen the overall quality of this important journal, I am in the process of updating the Editorial Advisory Board.

Should you be interested in accepting this invitation, then please send me your updated CV by email to editor.faj@omicsinc.com you will receive full waive on the publication charges of your article as you are serving as editors for editorial board for these many successful years of omics.

Consider this as a friendly nudge.

Best wishes,

BALAJI DARAM,

Editorial Coordinator,

Fisheries and Aquaculture
