Dear Sir(s),
Thanks for this kind invitation which I have a honor to accept it.
My biography:

Catarina Pinto Reis, PhD, is currently Full Professor of Pharmaceutical Technology and Researcher in the School of Sciences and Health Technologies at the *Universidade Lusófona de Humanidades e Tecnologias* (Lisbon, Portugal), Coordinator of PTT and Director for Innovation of the Center for Research in Biosciences and Health Technologies (CBIOS). Her doctoral studies were also undertaken at the University of Coimbra with several important national and international collaborations where she developed an interest in advanced drug delivery systems. Those studies have been recognized through a number of national prizes. She worked in the design and evaluation of nano- and microparticles for peptide drug and gene delivery and in cosmetics. She is author or co-author of several articles, book chapters and inventor of 3 patents.

With my best regards,

Catarina Pinto Reis, PhD

Dear Dr. Professor,

We cordially invite you to be as an Editorial Board Member for the [Industrial Chemistry: Open Access](#)

OMICS is successfully publishing quality open access journals with the support from scientists like you. We are aware of your reputation for quality of research and trustworthiness in related field and that is why you have been chosen as an **Editorial Board Member**.

OMICS uses Editorial Manager® for quality review process. Editorial Manager® is an online submission and review system. Authors may submit manuscripts and track their progress through the system, hopefully to publication. Reviewers can download manuscripts and submit their opinions to the editor. Editors can manage the whole submission/review/revise/publish process. Publishers can see what manuscripts are in the pipeline awaiting publication. E-mail is sent automatically to appropriate parties when significant events occur.

All works published by OMICS are under the terms of the Creative Commons Attribution License. This permits anyone to copy, distribute, transmit and adapt the work provided the original work and source is appropriately cited. OMICS supports the Bethesda statement on Open Access publishing.

We may again assure you of international quality and standards of our articles published in our journals, using state-of-the-art prominent reviewers and editorial board. We also assure you of our best co-operation always.

If you are interested, you are requested to send your **Biography** (150 words), **Research Interests**, **Photograph** for our records.

We look forward to a close and lasting scientific relationship for the benefit of scientific community.

With Regards,

Maria Carla

Editorial Assistant
