Dear Editor,

I wish I can contribute to Journal of Physical Chemistry and Biophysics. However, If you think that my expertise as a solar cell researcher doesn't fit the journal's aim and scope, I might apply for an Editorial Board member position elsewhere, e.g., Journal of Material Science & Engineering of the same publishing group.

Best regards,
Doh-Kwon Lee

Dear Dr. Doh-Kwon Lee,

Warm Greetings from our [Journal of Physical Chemistry & Biophysics](#)

Hope you are doing well

It's a great pleasure to express our indebtedness to the eminent experts like you who are serving a prestigious role as an Editorial Board member for our esteemed journal.

In order to increase the Journal visibility among the scientific community, we are hereby revising the Editorial Board of the Journal. So members can send their acceptance to continue as the Editorial Board member or else can withdraw their membership by sending a confirmation email saying that "you are not interested".

We will look forward to receive your response **within 48 hours**.

Please cooperate to keep up the Journal standards.

Wishing a long lasting scientific relationship for the benefit of the scientific community

Thank you very much for your constant support

Best Regards

Ruby Catherine
