I am glad you received this editorial. I assume that its publication will be free of charge, if you decide positively upon its publication since it is an invited editorial.
Sincerely yours,
Fotini Lamari

Importance: High

Dear Editor-in-Chief,
Please find attached an editorial article entitled
SAFFRON SAFETY IN HUMANS: LESSONS FROM THE ANIMAL AND
CLINICAL STUDIES

by Lymperopoulou CD, Lamari FN.

which we submit for publication in the journal of Medicinal & Aromatic Plants.

We hope that the quality of the manuscript fits the standards of the journal,

Sincerely yours,

Fotini Lamari
