**Subject:** Editorial Board Invitation

**Dear Dr.Galila Agam,**

**This is a follow up mail as we did not receive any response from your side.**

**OMICS Publishing Group** is successfully publishing quality open access journals with the support from scientists like you. We are aware of your reputation for quality of research and trustworthiness in the field of "Clinical and Medical Biochemistry" and that is why you have been chosen as an Editorial Board Member of our **Clinical and Medical Biochemistry: Open Access** .

OMICS Publishing Group uses online review and editorial tracking systems of Editorial Manager® /OMICS Group for quality review process. Editorial Manager® is an online submission and review system. Authors may submit manuscripts and track their progress through the system, hopefully to publication. Reviewers can download manuscripts and submit their opinions to the editor. Editors can manage the whole submission/review/revise/publish process. Publishers can see what manuscripts are in the pipeline awaiting publication. E-mail is sent automatically to appropriate parties when significant events occur.

All works published by OMICS Publishing Group are under the terms of the Creative Commons Attribution License. This permits anyone to copy, distribute, transmit and adapt the work provided the original work and source is appropriately cited. OMICS Publishing Group supports the Bethesda statement on Open Access publishing.

As per the available records OMICS Publishing Group has more than 2 million readers and successfully publishing several world class journals.

We may again assure you of international quality and standards of our articles published in our journals, using state-of-the-art prominent reviewers and editorial board. We also assure you of our best co-operation always.

**New enhanced features of OMICS Group Journals:**

OMICS Group Journals provides special and enhanced features which includes; DOI-CrossRef, Digital Article, Audio Version, User friendly /feasible website translation to more than 50 languages and Social Networking for each published article.

PS: <http://www.omicsonline.org/special-features.php>

If you are interested, you are requested to send a recent **passport size photo** (to display at our website) and your **Biography** (150 words), **Research Interests** for our records.

We look forward to a close and lasting scientific relationship for the benefit of scientific community.

With Regards,  
Martini Jones
