Dear Dr. George Perry,

We cordially invite you to be as an Editorial Board Member for the [Pharmaceutical Analytical Chemistry: Open Access](#)

[OMICS](#) is successfully publishing quality open access journals with the support from scientists like you. We are impressed by your reputation for quality of research and trustworthiness in related field and that is why you have been chosen to be an **Editorial Board Member**.

OMICS uses Editorial Manager® for quality review process. Editorial Manager® is an online submission and review system. Authors may submit manuscripts and track their progress through the system, hopefully to publication. Reviewers can download manuscripts and submit their opinions to the editor. Editors can manage the submission/review/revise/publish process. Publishers can see what manuscripts are in the pipeline awaiting publication. E-mail is sent automatically to appropriate parties when significant events occur.

All works published by OMICS are under the terms of the Creative Commons Attribution License. This allows anyone to copy, distribute, transmit and adapt the work provided the original work and source is appropriately acknowledged. OMICS supports the Bethesda statement on Open Access publishing.

We may again assure you of international quality and standards of our articles published in our journals, using state-of-the-art prominent reviewers and editorial board. We also assure you of our best co-operation always.

If you are interested, you are requested to send your **Biography** (150 words), **Research Interests**, **Photographs**, and **CV** records.

We look forward to a close and lasting scientific relationship for the benefit of scientific community.

With Regards,

Jason Oliver
