Subject: RE: Invitation for Editorial Board

Dear Mr. Oliver,

Thanks again for the invitation and all your kind words. Regarding to your request of suggesting editorial board member, I would like to recommend Dr. Weimin Chen, who serves as a scientist at Bristol-Myers Squibb, to join the board. I believe Dr Chen's academic background and work experience will greatly help Pharmaceutical Analytical Chemistry. Dr. Chen's email address is weimin.chen@bms.com. Please let me know if you have any questions. Thanks.

Regards,

Jian

Dear Dr. Jian Zhang,
Greetings from **Pharmaceutical Analytical Chemistry**.

Thank you for accepting our invitation.
We are delighted to have such an Eminent Personality like you in our Editorial Board.

We will update your biography in our database soon and let you know once it is completed.

We hereby request you to suggest any of your colleagues or experts like you in this field as editorial board members/authors. You may suggest the list of contributors so that we will contact them on your behalf.

Hope to have a long lasting scientific relationship with you.

Please feel free to contact us for further queries

Warm Regards,

Jason Oliver

Subject: RE: Invitation for Editorial Board

Dear Mr. Oliver,

Thanks for your email and the invitation. It is my pleasure to serve for our scientific community. Per your request, please see the following as my short biography and research interest. Also I attached my photo. Should there be any other info you would like to have in my profile, please do not hesitate to let me know. I appreciate the opportunity to work with you and Pharmaceutical Analytical Chemistry: Open Access. Thank you!

Sincerely,

Jian

Short Biography

Dr. Jian Zhang received his graduate training with Ph.D. degree in Analytical Chemistry from Purdue University. His previous education includes B.S. and M.S. degree training in chemistry, in the area of material chemistry, polymer chemistry and physics, both from Nankai University, China. Dr. Zhang currently is a scientist at Department of Global SeedGrowth Formulation Technology of Bayer CropScience, USA, where he conducts analytical method development in challenging new areas of seed treatment formulation development with low rate seed treatment concentrations required. Dr. Zhang also serves as Editorial Board Member of Journal of Chromatography & Separation Techniques, SOJ Chromatographic Science and Mass Spectrometry: Open Access.

Research Interest

- Analytical method development and optimization

Subject: Invitation for Editorial Board

Date: Thu, 10 Sep 2015 14:23:46 +0530

Dear Dr. Jian Zhang,

We cordially invite you to be as an Editorial Board Member for the [Pharmaceutical Analytical Chemistry](#) [Open Access](#)

[OMICS](#) is successfully publishing quality open access journals with the support from scientists like you. We are aware of your reputation for quality of research and trustworthiness in related field and that is why you have been chosen as an **Editorial Board Member**.

OMICS uses Editorial Manager® for quality review process. Editorial Manager® is an online submission and review system. Authors may submit manuscripts and track their progress through the system, hopefully to publication. Reviewers can download manuscripts and submit their opinions to the editor. Editors can manage the submission/review/revise/publish process. Publishers can see what manuscripts are in the pipeline awaiting publication. E-mail is sent automatically to appropriate parties when significant events occur.

All works published by OMICS are under the terms of the Creative Commons Attribution License. This license allows anyone to copy, distribute, transmit and adapt the work provided the original work and source is appropriately acknowledged. OMICS supports the Bethesda statement on Open Access publishing.

We may again assure you of international quality and standards of our articles published in our journals, using state-of-the-art prominent reviewers and editorial board. We also assure you of our best co-operation always.

If you are interested, you are requested to send your **Biography** (150 words), **Research Interests**, **Photograph** and **CV** records.

We look forward to a close and lasting scientific relationship for the benefit of scientific community.

With Regards,

Jason Oliver
