The roles of the editor include providing the necessary guidelines and dictate the process of submission to the author, communication with the reviewers or authors depending on the stage of article processing in case of any delay, responsible for any query regarding reconsideration of editorial decisions and should provide the decision quickly and clearly with proper reasons. Editor is responsible for establishing such protocol. Editorial Board members may recommend for the timely topics and suggest potential guest Editors considering the scope, importance and timeliness of the topic.

Contact us in case of any queries.

Thank you.

Have a great day.

Regards

Daphne Dawson,

Editorial Assistant

Greetings from **Dentistry**.

Hope you are doing well.

Thank you for your immense support towards the success of our Journal.

It's a great pleasure to express our indebtedness to the eminent experts who are serving the prestigious role as an Editorial Board member for our esteemed journal.

In order to increase the Journal visibility in the scientific community, we are hereby **“Reforming the Editorial Board”** of the Journal. So I request you to send an acceptance and confirmation mail to be a part of honourable Editorial Board.

We will look forward to receive your response within 48 hours.

Looking for long-lasting scientific relationship.

Best wishes

Regards

Daphne Dawson,

Editorial Assistant
