Invitation Letter for the Editorial Board Member
Journal of Clinical Anesthesiology: Open Access

Respected John Patrick F Bebawy,

Greetings from Journal of Clinical Anesthesiology: Open Access!!!

We are introducing a new journal, Journal of Clinical Anesthesiology: Open Access. We would like to invite you as an Editorial Board Member for the newly launched journal and help us to develop the journal to attain new heights at an international level in the scientific community.

Your support and guidance as an editorial board member would help our journal to achieve its objective. Please inform us of your willingness to serve as a journal editorial board member by sending an acceptance letter along with your Curriculum Vitae, including list of publications, Biography (150 words), Research Interests and a recent passport size photo.

Benefits for renowned editor like you:

1. Free publicity of yours.
2. Students from all over the world can easily access your latest researches.

3. Sharing your articles, editorial on social networking sites which can be viewed worldwide.
4. No publication charge for editorial article.

We look forward for a close and long lasting scientific relationship for the benefit of scientific community. Please know your decision at the earliest.

Sincerely,
Elena Williams
