

Yes, I do not see an Editor in Chief and only see one member of the board that, on top, is not an anesthesiologist.

Happy to help you someway.

Dear Juan Francisco Asenjo,

Thank you for the mail response.

You can find the editorial board members her in the given link below:

Since the journal is newly started in this month itself so we are in the process of making the eminent editorial board and thus invite you to show your interest for the same.

It would be great if you agree for this invitation, your valuable suggestions for the journal will always be appreciable.

Looking for a positive response from you.

Have a great day.

With Kind Regards,

Elena Williams
