Dear Ms. Flores,

Thank you for your kind email and work with the Journal. I am writing to accept and confirm my continuance as a member of the Editorial Board of the Journal of Neuroinfectious Diseases. Unfortunately, I currently have prior commitments that prevent my preparing the requested powerpoint for you immediately. I however will prepare one. If you have any examples of what you are envisioning I would appreciate it.

I thank you again for your leadership.

Sincerely,

Linnie

**Dear Dr. Linnie M. Golightly,**

Greetings from our Journal of Neuroinfectious Diseases

Hope you are doing well

Thank you for your constant support towards the success of Journal.

It's a great pleasure to express our indebtedness to the eminent experts like you who are serving the prestigious role as an Editorial Board member for our esteemed journal.

In order to increase the Journal visibility among the scientific community, we are hereby "**Reforming the Editorial Board**" of the Journal. So I request you to **send an acceptance and confirmation mail** to continue to be a part of honourable Editorial Board or else you may withdraw the Editorial board membership by sending a confirmation email.

We have also come up with new initiative to publish the Editorial Board member's Research interest & work contribution towards the scientific field in the form of power point presentation (PPT), freely. This presentation should contain at the minimum of 5-7 slides consisting of your basic research interest, your views/thoughts and further message and it should be useful to the students, scholars & scientific community.

We will make this presentation accessible in our journals if you give your consent.

We will look forward to receive your response **within 48 hours.**

Wishing a long lasting scientific relationship for the benefit of the scientific community

Best wishes

Regards

Katie Flores
