Dear Anna,

First I would like to thank you for accepting me as part of the editorial board of your journal. Please find attached my biography, research intesres, passport photograph and my CV.

In order to contribute to the development of the journal I will be able to submit for the September issue (within several days) a review (1800-2000 words) with focus on multifunctional nanoparticles for molecular imaging.

Thank you for your time and consideration,

Prof. Lucian Mocan, M.D., PhD

Dear Dr. Lucian-Constantin Mocan,

Greetings from the **Molecular Imaging & Dynamics!**

Hope this email finds you well.

We have contacted you earlier through email. Since we have not received any response from you regarding your acceptance to Editorial Board Member and your valuable article, we are taking the liberty of re-sending the invitation as we are aware that you may be engaged in other activities or my message may not have successfully reached you.

It would be very kind of you if you could kindly respond to our invitation on or before 24th September,2015.
