Yes, I agree to continue as the Editorial Board Member of the Journal of Astrophysics and Aerospace Technology. You can understand me as a permanent member, that my agreement will automatically continue if not stated otherwise by JAAT or myself.

I could submit manuscript(s) for editorials with the EBM's waiver from all possible publication fees. If such a possibility exists, then please let me know the deadline for submission, and what is the requirements on pagination (For submission I use PDF, A4, 12pt font size, a standard font, single line spacing).
