Dear. Masayoshi Noguchi,

Greetings from the INNOVATIVE ENERGY & RESEARCH

I wish this mail finds you in good health.

Thank you for serving as an Editor for our Journal. We are in a view to expand and modify our services to the major population of the scientific community. In this context, I would like to know if you are still interested to serve as an editorial board member for the journal. I would greatly appreciate if you tell me your decision **(YES OR NO)** as a reply towards this mail.

Awaiting your prompt response

Regards

Daya
