Hi,

Thanks for your email. I would like to join as an editorial board member.
Could you please tell me how to join?

Thank you.

Regards,

Bilal

Sir/Madam JOURNAL OF REMOTE SENSING & GIS

Dear Sir/Madam,

Greetings from the
<<http://omicsgroup.org/journals/geophysics-remote-sensing.php>> Journal of Remote Sensing & GIS

It gives us immense pleasure to invite you and your research allies to submit a manuscript for the Journal of Remote Sensing & GIS which aims to publish the quality research work. The level of intricacy shown by you in your work makes us even more proud, and we believe that your works should be known to mankind.

Papers may be submitted from any discipline related to Remote Sensing, Geographic information system Geodynamics and suggested content areas which include but are not limited to the following classification.

- . Cartogram
- . Remote sensing agriculture
- . Geodesy
- . Spectral Response Patterns
- . Geoinformatics
- . Remote sensing techniques
- . Geophysics
- . Remote Sensing of Environment
- . Geovisualization
- . Lidar Remote Sensing

- . Radiometry
- . Cartography

And many more that comes under the umbrella of Journal of Remote Sensing & GIS.

We strongly believe that your contribution to this issue will bring some momentum to solicit the articles for our journal.

Waiting for your positive response. Also let us know if you are suitable to join as an <<http://www.omicsgroup.org/journals/editorialboard-geophysics-remote-sensing-open-access.php>> editorial board member for our journal. Please send us your submission now.

Best wishes,
Elena Evans
Editorial Coordinator
