

Dear Andrea

I have been sent no papers to review and have not found any of your requests for papers or conferences attractive so probably best to call it a day.

And I will continue.

Regards

Nick

**Subject:** Journal of Geology & Geophysics: Editorial Membership

Dear Dr. **Nick Drake**,

Greetings from the journal of Geology & Geophysics!

Hope you are doing well.

Thank you so much for being an editor for our respected Journal till now.

I would like to know whether you are interested to continue as an editor for our journal or not.

Kindly, let me know your response within 24 hours.

Regards,  
Andrea
