Suggestion or proposal:

Best wishes to the journal for publication of quality articles in the field of Swarm Intelligence and Evolutionary Computation. I would like to mention that International Journal of Swarm Intelligence and Evolutionary Computation most possibly can be indexed in SCOPUS and Thomson Reuters ISI, and Web of Science indexing bodies. The editors and authors have to work on this matter very seriously in order to get an international recognition on journal paper publication. The citations of this journal should be visible to all the research scholars across the planet. The publisher has to work very hard in promoting this journal across the globe and take care on the citation of the journal paper by all the research scholars and readers of the world. We hope this journal will be one of the top class journal in the world stage in the near future.
