**Attachments:** CV for Petter Falkman.pdf

**Categories:** Green Category

Dear Anna,

I am sorry not answering earlier! Of course I am honoured and would like to continue being part of this. Please find enclosed the updated material. If you need any more material don't hesitate in contacting me.

### **Biography**

Dr. Petter Falkman received the Ph.D. degree in Electrical Engineering in 2005 from Chalmers University of Technology, Göteborg, Sweden. Dr. Falkman is currently Associate Professor at the Department of Signals and Systems, Chalmers University of Technology. He received his Master of Science in Automation and Mechatronics at Chalmers in 1999. Dr. Falkman is program director for the Automation and Mechatronics program at Chalmers. He is also part of the Wingquist Laboratory, a research center for virtual product and production development at Chalmers. Dr. Falkman is a member of the editorial board of the journal Advances in Automobile Engineering. His main research topic concerns information integration, virtual preparation, restart, verification, and optimization of production systems.

Vänliga hälsningar/Kind regards

**Petter Falkman, PhD**

Associate Professor

Head of Programme in Automation and Mechatronics

Department of Signals and Systems

Division of Automatic control, Automation and Mechatronics
