Dear Dr. Katie Flores,

1. Thanks for the greetings, but it was really quite tough to compile and come up with an Editor's note. And especially so, when there are so many articles in the link that you had provided, and with an urgency attached.

2. Please find herewith the following :

- (a) Editor's note written by me
- (b) My CV
- (c) My photo

3. Kindly let me know once you receive this email and the uploaded files described above.

4. Can the two articles that you want me to write be as editorial ? Would they be totally free for me ? Shall await your reply on this count as well.

Best regards.

Dr (Lieutenant Colonel) Rajesh Chauhan  
Honorary National Professor IMA CGP, INDIA.

2. Now that the two articles that you were short of have already published, I found these lines towards the end, "\*You can also join Editorial board of our journal by providing your updated Biography and recent passport size photograph along with an article".

3. I was wondering whether you would still like my be interested in my updated Biography and recent passport size photograph for my joining your editorial board. Would be awaiting your reply on this subject.
