> Pharmaceutical Analytical Chemistry: Open Access

>

>

> <<http://www.omicsonline.org/>> OMICS is successfully publishing

> quality open access journals with the support from scientists like

> you. We are aware of your reputation for quality of research and

> trustworthiness in related field and that is why you have been chosen as an Editorial Board Member.

>

> OMICS uses Editorial ManagerR for quality review process. Editorial

> ManagerR is an online submission and review system. Authors may submit

> manuscripts and track their progress through the system, hopefully to publication.

> Reviewers can download manuscripts and submit their opinions to the editor.

> Editors can manage the whole submission/review/revise/publish process.

> Publishers can see what manuscripts are in the pipeline awaiting

> publication. E-mail is sent automatically to appropriate parties when

> significant events occur.

>

> All works published by OMICS are under the terms of the Creative

> Commons Attribution License. This permits anyone to copy, distribute,

> transmit and adapt the work provided the original work and source is appropriately cited.

> OMICS supports the Bethesda statement on Open Access publishing.

>

> We may again assure you of international quality and standards of our

> articles published in our journals, using state-of-the-art prominent

> reviewers and editorial board. We also assure you of our best

> co-operation always.

>

> If you are interested, you are requested to send your Biography (150

> words), Research Interests, Photo for our records.
>
