Categories: Red Category

Dear Glory,

Thank you for the email recommending me as the editor-in-chief of "Advances in Crop Science and Technology". Before I can accept this position, I would like to know the rights/power the editor-in-chief may have.

Thanks again.

Best regards,

Susheng

Su-Sheng Gan, Ph.D.
Professor
Plant Biology Section and Plant Breeding & Genetics Section
School of Integrative Plant Science
College of Agriculture and Life Sciences

Dear Dr. Su-Sheng Gan,

Greetings from the [Advances in Crop Science and Technology!!!](#)

We are very much pleased to receive your valuable suggestions and your active contribution towards the development of our journal. It is an honor to have such a science savvy among our editorial board members. We would be happy to consider the points you have suggested us towards developing our journal, and the reviews you make. We would make our best efforts to implement them.

*We are glad to announce that as per your suggestions, we propose you as the **editor-in-chief**, for our Advances in Crop Science and Technology. We heartily congratulate you on becoming the editor-in-chief for our journal. We expect the journal would reap good fruits here after. Kindly tell us your response to within **24 hrs.***

Looking forward to receive more of your submissions.

Should there be any further concerns, please revert back.

With thanks & regards,

Glory HAR

Editorial Assistant
