Editor-in-chief Invitation

Dear Dr. Taixing Cui,

Greetings from Journal of Cell Science and Therapy!!

I hope you are doing well.

The purpose of this e-mail is regarding appointing an additional Editor-in-Chief (EIC) for the journal. After huge discussions with our higher officials we came to a final decision to make you as our honorable EIC of the journal apart from the existing honorary EIC. The primary concept behind this promotion is to make a national wise EIC's for the journal, so that it brings a remarkable change in publishing quality of articles worldwide and to maintain a world class behavior in scientific community following the ethics towards publication.

I hope you are the best person who fits to be as an In-chief to the editorial board members and make the journal popularize with your eminent support in making quality of issue releases and your huge participation in our upcoming scientific services will build a world class relationship with Professionals, Learners and academic experts all over the globe. Kindly send us your confirmation in reply to this e-mail with in two days. Send your CV as an attachment to this mail and there is one criteria that their articles (**minimum 16-20**) already have been published.

Thank you so much for your sincere support till date and we are so much grateful to you for your time and consideration.

Anticipating your positive response

We wish you a happy and healthy day ahead

With kind regards
Christine Elwyn
