

Dear Christine Elwyn

Thank you for your email.

I am afraid I do not have suitable paper at this moment.  
On the other hand, I would like to join the editorial board.

One of my research interest is poststroke depression.

I have attached my CV for your consideration.

WK Tang

**Subject:** J Depress Anxiety: Urgent submission  
**Importance:** High

**Dear Dr. Wai Kwong Tang,**

Greetings!!!

[Journal of Depression & Anxiety](#) with **Thomson Reuters** ICV: **62.02** & **\*Impact Factor: 1.2** invites you to submit original research, review, short communication, letter to editor, on area related to Depression, Anxiety, traumatic stress & disorders, cognitive psychology, etc. for our Journal.

I would appreciate to receive your submissions by January 12, 2016 so as for getting it published in upcoming issue of 2016 (Volume5, Issue 1).

Kindly submit via E-mail [editor.jda@omicsinc.com](mailto:editor.jda@omicsinc.com) or through Editorial Manager System:  
<http://www.editorialmanager.com/biomedicaljournals/>

If it is not feasible for you, then please let me know your feasible time to contribute.

Best wishes for your on-going project.

Note: \*- unofficial

**Happy 2016....**

Best Regards,

Christine Elwyn
