

I am indeed interested in continuing my service as an Editorial Board Member for the Journal of Pollution Effects and Control. Below, you will find my brief biography, a list of my research interests, and all of my current contact information, which you may also use on your website. Please let me know if you will need any other information from me.

Thanks.
- Ted

My Brief Biography:

Ted Eckmann received his PhD in Geography from the University of California at Santa Barbara in 2009. He then worked as an instructor and researcher at Bowling Green State University for four years, then moved to Portland, Oregon, where he has served as an Assistant Professor of Environmental Studies within the University of Portland since 2013. Ted has also received a Certificate in College and University Teaching (CCUT) and a master's degree in Geography, both from the University of California at Santa Barbara, and a bachelor's degree in Economics with a minor in Interdisciplinary Computing and the Arts, from the University of California at San Diego. Ted has received several teaching and research awards, and contributed to many university and community service projects. Ted's sources of research support have included the United States National Science Foundation, a NASA Earth and Space Science Fellowship, a Brython Davis Fellowship, Jack and Laura Dangermond Scholarships, the Andrew W. Mellon Foundation, and NASA California Space Grants.

My Research Interests:

Atmospheric Sciences, Oceanography, Green Energy, Geology, Ecology, Conservation, Remote Sensing, Geographic Information Systems (GIS), Natural Hazards, and Environmental Economics.

My University website lists some of my recent publications and other pertinent details; you may link to this from your website if you want, or post any of my other contact info, which is below:

Importance: High

Dear Dr. Ted Eckmann, Greetings from the Journal Pollution Effects and Control!

We hope you are doing great. We would like to thank you, for being associated with our Journal as an Editorial Board. To progress and run a journal successfully, we are depending on our Board members like you. We need your assurance so that you will help us in regular editorial duties whenever required.

We request you to continue as our editorial board member. From our side we can promise that the work load will be low. If you are not willing to continue please let us know.

Kindly mail us your valuable decision at earliest.

Thanks and Regards,
Eva Alice
Editorial Coordinator
