**My CV, Biography and Research interests please see in attachment. I don't have a passport size photograph right now. If I take the photo, I will send you immediately.**

Dear **Vahini**,

**Thanks for your greeting and invitation for an article.**

I would like to write a short review for Journal of Women's Health Care. However, I have lots of research project to work at the moment; I cannot submit the paper in January. I think that the review will be feasible to submit in October this year.

And Thanks for your 'Note'. I would like to become Editorial Board Member **of the Journal**. I really want to have a good scientific relationship with the Journal.

**Best wishes,**

**Xiaoxing Wu**
