Subject: Accepting the Editorial Board Member position of Translational Medicine

Dear Journal Coordinator,

I would like to continue as an Editorial Board Member for the prestigious journal, **Translational Medicine**, a renowned periodical in **Translational Research** and allowing the journal to display my affiliation details at journal's website.

I am happy to render my continuous support and suggestion(s) for the betterment of journal in favoring the dissemination of scientific knowledge for the respective research community.

Best wishes,

Regards,

Name: Yu Sun

Designation: Professor

Current Affiliation: Chinese Academy of Sciences

Country: China

Contact Email: sunyu@sibs.ac.cn

Contact Number: 86-21-54923302

Suggestion or proposal:

Best wishes to the journal for publication of quality articles in the field translational research. I would like to mention that **continued efforts should be made to keep the quality and standard of the journal up to those of the SCI central journals, and follow their established guidelines for manuscript review, evaluation, acception and publication. It is important to make sure the accepted manuscript can be deposited in PubMed of NCBI archives for global wide access as research references.**.....
